NOTES:

1. Data collected in 2006-07.
2. The number of cooperatives given in the table is the number of firms identified in the study.
3. The financial data is actual reported data from the portion of identified cooperatives that responded to phone calls and surveys. It does not represent the total activity of the number of cooperatives identified.
4. Mergers and acquisitions have occurred since the data was reported.
5. Members may belong to more than one cooperative.
